

REMARKS

Claim 32 has been amended. No new matter has been added. Entry is requested.

It is believed that the foregoing amendment overcomes the rejections over the prior art as well as Section 112, first paragraph, rejection.

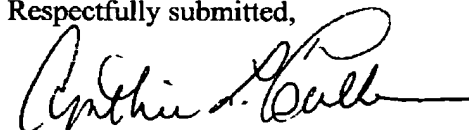

Claim 19 is rejected under 35 U.S.C. § 112, second paragraph. The examiner urges that some of the species recited in claim 19 are outside of the claim 32 definition of R.

Applicants disagree. Claim 19 recites that R is *derived from* one of the recited compounds. Applicants submit that 19 is not indefinite. Reconsideration and withdrawal is requested.

Claims 17 and 32 remain rejected under 35 U.S.C. § 102 (b) as being anticipated by See et al., or Leslie-Smith et al., or Boyd et al., or Shimizu et al., or Prep'yakov et al. Applicants submit that the foregoing amendment obvious each of these rejections. Withdrawal is requested.

Early and favorable action is solicited.

Respectfully submitted,

Cynthia L. Foulke
